New Business and Committee Reports:

Miles Hardy covered the Traffic Committee update on the new Wal-Mart. Grand Opening is near. Commissioner Stuart and Miles are dedicated to the traffic issues and its impact on College Park.

Safety committee: Bertie Hunt briefly touched on the crime rate in our area and mentioned that the Census will be taken soon, be polite, be courteous and be alert.

Sunday in The Park: Bruce Thomas was unable to attend due to a family emergency and all of us have him and his family in our prayers. The date is set for March 21.

Communications Committee: Adrian LaSala talked briefly about our awesome website with the focus on member control. Committees can update their business and agendas as well as vendors can sign up. This site will be full of news and information and CPNA is on Face book! Adrian would like to know if anyone could also write an article or two for the newsletter.

Commissioners Corner: Commissioner Stuart welcomed us with good news about the crime rate in our area being down 25% in College Park. Violent crime is down city wide. Burglaries are even to last year. Mentioned Due Diligence and the necessity to call in suspicious activities. Reminders that the Non Emergency number is 321-325-5300.

Speed bumps going in on Winter Park Street Feb. 1st. Emergency Vehicles will have wheel base clearance. Also there will be an impact study on the Vassar Street stop light. Will notify residents nearby when date gets closer. Also Field Turf approved for the Citrus Bowl.

Adjourned for light refreshments brought by our Social Committee. Bertie Hunt and helped by Jim Pruett.
