Fall 2009

## Fall in College Park

By Adrian La Sala, Communications Committee Chair

Fall is one of our nicest seasons, and to celebrate the slightly cooler air, it seems like there are always a variety of events all around town. College Park is no different—several things are already lined up for our neighborhood.

In this issue of the newsletter, rather than focus on the news, we're giving you information about the many events you can look forward to, right here, in your neighborhood. Be sure to add them to your calendar.

### Our Calendar

Don't forget that you can keep up with the latest events by visiting our Calendar at:

<http://collegeparkorlando.org/calendar>

We send reminder emails to all of our members seven days before events happen. If you prefer not to receive these emails, you can manage them by logging in, viewing your profile, and disabling them.

Also, you can subscribe to our calendar through an RSS feed, or by email. For more information visit:

[http://collegeparkorlando.org/subscribe\\_events](http://collegeparkorlando.org/subscribe_events)

### Our Monthly Meetings

Another event you should consider attending is our monthly meeting. We meet the first Monday of every month. (September's is later because of Labor Day.)

In an upcoming meeting, the Nominating Committee will present their recommendations for next year's board members, and during the November meeting, all members will have a chance to vote on them.

This year, CPNA has accomplished a great deal, including a wonderfully successful Sunday in the Park, a great Easter Egg hunt, and what promises to be a fantastic Historic Homes Tour. In addition we have helped our neighbors face crime issues, kept tabs on the Edgewater High School construction, Florida Hospital

### Visit our Archives

Since 1991 our neighborhood has opened its homes through our annual Historic Homes Tour.

We made the brochures from all of our past tours available on our website as searchable .pdf files. We're did this to capture and share the information we dig up about homes in our neighborhood.

Feel free to browse them at the link above. Perhaps your home was in a previous tour.
